

## Casino

### Section 1: Dialogue

Please read the following dialogue between Adam, Doug, and a floor attendant at the casino.

**Adam:** Where have you been? I've been looking for you. I just cashed out \$200 from the Black Jack table. I was able to breakeven.

**Doug:** That's really good. I almost hit the jackpot at the slot machine. Maybe some of your luck can rub off on me. Do you want to come with me to check out the Poker or Baccarat tables?

**Adam:** Sure, I've been watching High Rollers play on T.V. Maybe I can ask the floor attendant where we'll find the Poker room.

**Casino Attendant:** Hi, how may I help you?

**Adam:** Hi can you show us where the Poker room is? We're also looking for the Baccarat tables?

**Casino Attendant:** The Poker room is upstairs. Just take the escalator, and you'll find the Baccarat tables. And to your left will be the Poker room. There is a big Poker Tournament going on there, you can still join if you sign up now.

**Adam:** Thank you!

**Doug:** Let's find a high-stakes table. Sit with me, and then we can play Baccarat.

**Adam:** I think I'll just sit and watch, I don't have much money to gamble with.

**Doug:** Don't worry I'll spot you to buy-in. I have a high bankroll.

**Adam:** Okay, let's get some chips!

### **Section 2: Useful Expression**
